

# Consent to Act as an APL Delegate

For the period September 2022 to September 2025

Delegates are an important communication link between Australian Pork Limited (APL) and its Members. The Delegates form a vital conduit for exchange of industry information from APL to industry, as well as from industry back to APL.

It is the expectation of APL Members that a Delegate is active in performing this role. This includes active participation at two Delegate forum meetings a year (usually May and November) and assisting APL at regional producer meetings when requested and practicable. For further information about Delegate responsibilities and expectations, please contact Damien Howse on [companysecretary@australianpork.com.au](mailto:companysecretary@australianpork.com.au) or 0431 631 692.

## Consent to Act:

By signing and submitting this form, I agree that I understand the role and responsibility of APL Delegates and provide my Consent to Act as a Delegate if I am appointed.

[Required] I consent to APL providing my contact details (email address and phone number) to other Delegates and my constituents (if appointed).

In the event that I have unused votes by the Return Date, I consent to APL providing my contact details (name, email address and phone number) to other nominees with insufficient votes. This will be for the purpose of enabling those other nominees to contact me to request reallocation of my unused or surplus votes to maximise the number of Delegates appointed. This will help ensure that Australian Pork Limited levy payers are represented by the maximum permissible number of Delegates.
